GOOD
MEATS

*FOR YOUR
INFORMATION*

the reddish or pink color in our beef, pulled pork, chicken,
turkey and ribs is due to our slow smokin' process

GOOD
COLOR

HOW WE SMOKE 'EM GOOD

To achieve that home made backyard, Bar-B-Que flavor, meat must be cooked
slowly over just the right wood fire. At Rib Country, choice cuts of meat are
basted with a special sauce and Bar-B-Qued over selected hardwoods,
carefully balancing heat and cooking time to seal in that special Rib Country
taste! We slowly smoke in a wood burning smoker making tender, juicy meats.

You can top our meats with one of our family recipe Bar-B-Que sauces:

Sweet & Mild, Tangy Mustard, Hot or Firestarter!
