HOW WE SMOKE 'EM GOOD

To achieve that home-made backyard, Bar-B-Que flavor, meat must be cooked slowly over just the right wood fire. At Rib Country, choice cuts of meat are basted with a special sauce and smoked over selected hardwoods, carefully balancing heat and cooking time to seal in that special Rib Country Taste! We slowly smoke in a wood burning style smoker making tender, juicy meats. You can top our meats with one of our secret recipe Bar-B-Que sauces:

Sweet & Mild, Tangy Mustard, Hot or Firestarter!
