HOW WE SMOKE 'EM GOOD

To achieve that home-made backyard, Bar-B-Que flavor, meat must be
cooked slowly over just the right wood fire. At Rib Country, choice cuts of
meat are basted in our signature sauce and smoked over selected
hardwoods, carefully balancing heat and cooking time to seal in that
special Rib Country Taste! We slowly smoke in a wood burning smoker
making tender, juicy meats. You can top our meats with one of our secret
recipe Bar-B-Que sauces:

Sweet & Mild, Tangy Mustard, Hot or Firestarter!
